FREE FAMILY FUN! SCIENCE TREASURE HUNT

The Science Treasure Hunt is a combination of family adventure and scavenger hunt focusing on science and technology facilities and resources in the area. Visit science sites, do everyday science experiments, and be entered to win fantastic prizes!

Visit eight or more science sites, and complete five or more everyday science experiments to be entered to win a prize drawing. To be eligible to participate, the hunter must be between 1st grade and 8th grade for the 2024/2025 school year. Multiple children may participate in the same family.

Register, answer questions, and earn your points at our website
